Digital Advertising Strategy, Evolved Strategic Marketing Clearwater, Florida: The first step in the Customer Journey is Awareness. Before any customer can take your service or purchase your product, the must become aware that you exist. Digital Advertising is a means to getting your brand out there immediately so these customers can find you and start their journey.

The first step in developing a successful digital advertising strategy is to understand your target market. Who are your ideal customers? What do they need? What are their pain points? Where are they searching? Knowing the answers to these questions will help you develop a strategy that resonates with your target market.
