Address: **4310 West Ave,, San Antonio, San Angelo**

Price: **Check with seller**

Dental Implant Abutment for Sale: I have a single dental implant abutment available for sale. This is a high-quality abutment that is compatible with Straumann dental implants. It is in excellent, unused condition.

The abutment details are:

Brand: Straumann

Material: Titanium

Size: 4.8mm diameter

Ideal for replacing a single tooth

Includes torque wrench for secure installation

If you are in need of a compatible abutment or know someone who is, please contact me using the information below. I can provide more details and ship the abutment promptly.
