Address:320 E. Fullerton Ave. Carol Stream, IL 60188, 320 E. Fullerton Ave. Carol StreamPrice:1,095.00 \$

Best Double Sided Styling Station: Upgrade your salon or barbershop with our innovative double-sided styling station, designed to optimize space and enhance productivity. With dual workstations on each side, this sleek and versatile unit accommodates multiple stylists simultaneously, streamlining operations and reducing wait times for clients.

Crafted from high-quality materials and featuring ample storage for tools and products, our double-sided styling station combines functionality with modern aesthetics. Its durable construction ensures long-lasting performance in high-traffic environments, while its customizable design allows you to tailor it to your specific needs and preferences.

From haircuts to styling sessions, our double-sided station provides the perfect setting for stylists to unleash their creativity and deliver exceptional results. Transform your salon into a dynamic and efficient workspace with our double-sided styling station – the ultimate solution for maximizing productivity and client satisfaction.
