Carpet Cleaning Services in San Diego: Discover the exceptional cleaning services at Brown Family Chem-Dry of San Marcos, a locally owned and operated business run by a family of six – mom, dad, and four sons. Our goal is to extend our family values to you by providing top-notch service.

What sets us apart from other carpet cleaners is our proven hot water extraction cleaning method. Unlike traditional steam cleaning, our process delves deep into carpet fibers, eliminating stains and odors while using significantly less water. This ensures quicker drying times for your carpets and promotes healthier indoor air quality.

Serving San Marcos, Carlsbad, Oceanside, Camp Pendleton, and Vista, we take pride in delivering clean, healthy, and happy homes. Brown Family Chem-Dry combines proprietary cleaning techniques with a non-toxic, green-certified product, leaving your home cleaner, safer, and healthier.
