Address: 1321 Upland Dr. # 20927, Houston, Texas, 77043, US, Houston, Texas, Houston

Price: Check with seller

custom wax paper: Custom wax paper is a flexible and useful paper material that can be tweaked with special plans, logos, or marking messages. It's normally covered with a wax layer, making it greaseproof, dampness safe, and intensity safe. This makes it ideal for wrapping food, lining baking skillet, or making enlivening components. Custom wax paper can be utilized for different purposes, from food bundling in eateries to making and Do-It-Yourself projects.
