Las Vegas Personal Injury Lawyer: The Las Vegas personal injury lawyers at Benson & Bingham Accident Injury Lawyers, LLC represent people injured in a variety of situations: motor vehicle (e.g., car, truck, taxi, Uber, Lyft, bus, bicycle, motorcycle, etc.) or pedestrian accidents, brain injury, slip-and-fall, trip-and-fall, dog bite, and burn injury, as well as wrongful death and workers' compensation. There are many victims injured in taxi cabs shuffling through the busy streets of Las Vegas daily. Taxi cabs and their passengers account for a large portion of city accidents. Nightclub violence either by bouncer or patron is also a major emphasis for personal injury lawsuits; many times the guest of a hotel actually becomes the victim of the hotel's breach of reasonable care. Much of what we do is geared toward client service: from the initial consultation to the negotiation process, we communicate with our clients every step of the way. Without results, we would not be in business. Trust us with your case. Get the best reviewed personal injury firm in Nevada. Free Wifi available.

Our firm has five convenient locations to serve you throughout Nevada.
