Who's Walking Who? Dog Training Utah:

Who's Walking Who? Dog Training Utah

We specialize in dog obedience that is effective in real-life environments. This high-level training is perfect for those who want to engage their dogs in daily activities, making training fast, easy and effective for the every day pet owner for lasting results, working through problems in addressing behavior such as reactivity, aggression, obedience, public access training, potty training, puppy training, hunting dog training, protection training, barking, anxiety, and more! We works with all dog breeds, ages, and temperaments. Our training system has helped thousands of families with their dogs, teaching them the tools necessary to have a well-balanced family companion.
