Come join our volunteer program!: When you join Cedars Sinai Marina Del Rey Hospital's team of volunteers, you become part of a diverse, caring group of community members. Teenagers, retirees, college students, people who aren't working, and people from all lines of work - we welcome individuals and groups with the willingness and energy to contribute. Our volunteers have one thing in common: patients' well-being is their ultimate focus and most cherished value. For more information please visit www.marinahospital.com/volunteers or call (310) 823-8911.
