Price: **Check with seller**

Long Heating and Cooling: In the heart of Dothan, Long Heating and Cooling stands out as a premier air conditioning contractor committed to ensuring your living spaces are cool, comfortable, and energy-efficient. Specializing in comprehensive ac repair services, our skilled technicians deliver top-tier assistance for all your HVAC needs. From the seamless installation of advanced cooling systems to meticulous maintenance checks and swift repairs, we cater to every aspect of air conditioning care. Our expertise isn't limited to chillers alone; we also provide unmatched furnace services, heat pump solutions, and indoor air quality enhancements including air filtration and purification systems. With Long Heating and Cooling by your side, you can expect personalized service that addresses your unique requirements with precision and professionalism. We're devoted to maintaining the optimal performance of your heating and cooling systems. Don't let system troubles disrupt your comfort—reach out to us for reliable ac repair in Dothan.
