Address: **2 Locust Park, Colonie, NY 12205, USA, New York, New York City**

Price: **12,205.00 \$**

"Captivating Creativity: The Art of Advertising Packaging": Advertising packaging refers to the design and presentation of product packaging with the intention of attracting consumers' attention and promoting the product or brand effectively. The goal is not only to protect the product but also to communicate key brand messages and persuade potential buyers to choose the product over competitors.
