TECHealth | ER Staffing, EMR & Dr. Free Local Classified Ads! TECHealth, An Emergency Services Company, is dedicated to expanding high standards of emergency care and business operations to patients, consumers, ER physicians, and other health professionals throughout the U.S. We offer ER staffing, ER facility management, and Electronic Medical Record (EMR) solutions that are custom and scaled to each client's needs.

As a top-rated emergency services company, TECHealth uses its extensive ER experience and insight to place ER physicians who will excel and thrive in your organizational culture and the community. Our rigorous candidate screening and interview process includes a thorough background check.

TECHealth offers ER partnership opportunities for those who wish to expand their own high standards of care and medical operations. We have many years of experience in successfully owning and operating several freestanding emergency room locations, which

has given us the knowledge and expertise to help others do the same. Our scalable ER partnership models are designed to address the pain points typically associated with emergency medicine operations, and can be customized to fit the specific needs of each
