Hamilton-Selway Fine Art: Even for seasoned professionals, selling artwork and maximizing the price achieved is a very difficult project. With our US and world-wide contacts, we have a huge network of potential buyers. In addition to having a retail gallery space, we are extremely tuned in to hundreds of dealers with whom we work on a regular basis. We are able to maneuver the payment is- sues, while also dealing with the tricky logistics of packing and shipping. Often, we can just buy material outright and make the transaction even easier. Given a very decent recovery in Art prices, you could be very pleasantly surprised at how much otherwise ignored artwork could fetch for you.
